

Items

All items were answered on a 7-point scale with the following options:

“To what extent do you agree or disagree with the following statements?”

(-3) Strongly Disagree, (-2) Disagree, (-1) Slightly Disagree, (0) Neutral, (1) Slightly Agree (2) Agree, (3) Strongly Agree

Personality

Lee and Ashton (2018)

Honesty Humility

Sincerity

1. If I want something from a person I dislike, I will act very nicely toward that person in order to get it.
2. I wouldn't use flattery to get a raise or promotion at work, even if I thought it would succeed.
3. If I want something from someone, I will laugh at that person's worst jokes.
4. I wouldn't pretend to like someone just to get that person to do favors for me.

Fairness

1. If I knew that I could never get caught, I would be willing to steal a million dollars.
2. I would be tempted to buy stolen property if I were financially tight.
3. I would never accept a bribe, even if it were very large.
4. I'd be tempted to use counterfeit money, if I were sure I could get away with it.

Greed Avoidance

1. Having a lot of money is not especially important to me.
2. I would like to live in a very expensive, high-class neighborhood.
3. I would like to be seen driving around in a very expensive car.
4. I would get a lot of pleasure from owning expensive luxury goods.

Modesty

1. I am an ordinary person who is no better than others.
2. I wouldn't want people to treat me as though I were superior to them.
3. I think that I am entitled to more respect than the average person is.
4. I want people to know that I am an important person of high status.

Emotionality

Fearfulness

1. I would feel afraid if I had to travel in bad weather conditions.
2. I don't mind doing jobs that involve dangerous work.
3. When it comes to physical danger, I am very fearful.
4. Even in an emergency I wouldn't feel like panicking.

Anxiety

1. I sometimes can't help worrying about little things.
2. I worry a lot less than most people do.
3. I rarely, if ever, have trouble sleeping due to stress or anxiety.
4. I get very anxious when waiting to hear about an important decision.

Dependence

1. When I suffer from a painful experience, I need someone to make me feel comfortable.
2. I can handle difficult situations without needing emotional support from anyone else.
3. Whenever I feel worried about something, I want to share my concern with another person.
4. I rarely discuss my problems with other people.

Sentimentality

1. I feel like crying when I see other people crying.
2. When someone I know well is unhappy, I can almost feel that person's pain myself.
3. I feel strong emotions when someone close to me is going away for a long time.
4. I remain unemotional even in situations where most people get very sentimental.

Extraversion

Social Self-Esteem

1. I feel reasonably satisfied with myself overall.
2. I think that most people like some aspects of my personality.
3. I feel that I am an unpopular person.
4. Even in an emergency I wouldn't feel like panicking.

Social Boldness

1. I rarely express my opinions in group meetings.
2. In social situations, I'm usually the one who makes the first move.
3. When I'm in a group of people, I'm often the one who speaks on behalf of the group.
4. I tend to feel quite self-conscious when speaking in front of a group of people.

Sociability

1. I avoid making “small talk” with people.
2. I enjoy having lots of people around to talk with.
3. I prefer jobs that involve active social interaction to those that involve working alone.
4. The first thing that I always do in a new place is to make friends.

Liveliness

1. I am energetic nearly all the time.
2. On most days, I feel cheerful and optimistic.
3. People often tell me that I should try to cheer up.
4. Most people are more upbeat and dynamic than I generally am.

Agreeableness

Forgiveness

1. I rarely hold a grudge, even against people who have badly wronged me.
2. My attitude toward people who have treated me badly is “forgive and forget”.
3. If someone has cheated me once, I will always feel suspicious of that person.
4. I find it hard to fully forgive someone who has done something mean to me.

Gentleness

1. People sometimes tell me that I am too critical of others.
2. I generally accept people’s faults without complaining about them.
3. I tend to be lenient in judging other people.
4. Even when people make a lot of mistakes, I rarely say anything negative.

Flexibility

1. People sometimes tell me that I’m too stubborn.
2. I am usually quite flexible in my opinions when people disagree with me.
3. When people tell me that I’m wrong, my first reaction is to argue with them.
4. I find it hard to compromise with people when I really think I’m right.

Patience

1. People think of me as someone who has a quick temper.
2. I rarely feel anger, even when people treat me quite badly.
3. Most people tend to get angry more quickly than I do.
4. I find it hard to keep my temper when people insult me.

Conscientiousness

Organization

1. I clean my office or home quite frequently.

2. I plan ahead and organize things, to avoid scrambling at the last minute.
3. People often joke with me about the messiness of my room or desk.
4. When working, I sometimes have difficulties due to being disorganized.

Diligence

1. When working, I often set ambitious goals for myself.
2. I often push myself very hard when trying to achieve a goal.
3. Often when I set a goal, I end up quitting without having reached it.
4. I do only the minimum amount of work needed to get by.

Perfectionism

1. I often check my work over repeatedly to find any mistakes.
2. When working on something, I don't pay much attention to small details.
3. I always try to be accurate in my work, even at the expense of time.
4. People often call me a perfectionist.

Prudence

1. I make decisions based on the feeling of the moment rather than on careful thought.
2. I make a lot of mistakes because I don't think before I act.
3. I don't allow my impulses to govern my behavior.
4. I prefer to do whatever comes to mind, rather than stick to a plan.

Openness

Aesthetic Appreciation

1. I would be quite bored by a visit to an art gallery.
2. I wouldn't spend my time reading a book of poetry.
3. If I had the opportunity, I would like to attend a classical music concert.
4. Sometimes I like to just watch the wind as it blows through the trees.

Inquisitiveness

1. I'm interested in learning about the history and politics of other countries.
2. I enjoy looking at maps of different places.
3. I would be very bored by a book about the history of science and technology.
4. I've never really enjoyed looking through an encyclopedia.

Creativeness

1. I would like a job that requires following a routine rather than being creative.
2. I would enjoy creating a work of art, such as a novel, a song, or a painting.
3. People have often told me that I have a good imagination.
4. I don't think of myself as the artistic or creative type.

Unconventionality

1. I think that paying attention to radical ideas is a waste of time.
2. I like people who have unconventional views.
3. I think of myself as a somewhat eccentric person.
4. I find it boring to discuss philosophy.

Altruism

1. I have sympathy for people who are less fortunate than I am.
2. I try to give generously to those in need.
3. It wouldn't bother me to harm someone I didn't like.
4. People see me as a hard-hearted person.

Need for privacy

Horizontal privacy

Psychological

Frener, Wagner, and Trepte (2021)

1. I don't like to talk about personal issues with others unless they do it first.
2. There are a lot of things about me that I don't like to talk about with others.
3. I prefer not to share my feelings and inner thoughts with others.
4. I don't like it when others talk to me about their private issues. (new)

Physical

Frener, Wagner, and Trepte (2021)

1. I don't like it when strangers come too close to me.
2. I don't like to stand in a dense crowd of people.
3. I don't like to sit next to a stranger on a tram, bus, or plane.
4. I hate it when people enter my personal space uninvited. (new)

3. I'm a fairly anti-social person. (new)
4. I prefer to work independently in most situations. (new)

Vertical privacy

Privacy from Government

Dienlin and Metzger (2019)

1. I need government agencies to respect my privacy, even if that makes catching criminals harder.
2. I don't want the government to gather data about me, even if that makes it harder to spend tax income effectively.
3. I don't want government agencies to monitor my communication, even if that stops terrorist attacks.
4. I feel I need to protect my privacy from government agencies.

Privacy from Companies

New, self-designed.

1. I'm willing to pay more for products or services so that companies don't have to sell my data.
2. I'm happy to give up a little bit of privacy so that I can use certain apps or services for free.
3. I don't want companies to collect data about me, even if that makes their services worse.
4. I feel I need to protect my privacy from companies.

General privacy

Informational

Frener, Wagner, and Trepte (2021)

1. I would prefer that little is known about me.
2. I don't want my personal data to be publicly accessible.
3. It is important to me that records pertaining to me remain confidential. (Harrison 1993)
4. I prefer that others cannot easily find information about me on the Internet. (new)

Privacy need anonymity

Dienlin and Metzger (2019)

1. I would prefer to use a fake account on social network sites to preserve my privacy.
2. I feel I need to avoid places with video surveillance.
